

PUBLIC HEALTH CODE (EXCERPT)
Act 368 of 1978

333.16315 Health professions regulatory fund; nurse professional fund; official prescription form program fund; pain management education and controlled substances electronic monitoring and antidiversion fund.

Sec. 16315. (1) The health professions regulatory fund is established in the state treasury. Except as otherwise provided in this section, the state treasurer shall credit the fees collected under sections 16319 to 16349 to the health professions regulatory fund. The money in the health professions regulatory fund shall be expended only as provided in subsection (5).

(2) The state treasurer shall direct the investment of the health professions regulatory fund. Interest and earnings from health professions regulatory fund investment shall be credited to the health professions regulatory fund.

(3) The unencumbered balance in the health professions regulatory fund at the close of the fiscal year shall remain in the health professions regulatory fund and shall not revert to the general fund.

(4) The health professions regulatory fund may receive gifts and devises and other money as provided by law.

(5) The department of consumer and industry services shall use the health professions regulatory fund only to carry out its powers and duties under this article and article 7 including, but not limited to, reimbursing the department of attorney general for the reasonable cost of services provided to the department of consumer and industry services under this article and article 7.

(6) The nurse professional fund is established in the state treasury. Of the money that is attributable to per-year license fees collected under section 16327, the state treasurer shall credit \$2.00 of each individual annual license fee collected to the nurse professional fund. The money in the nurse professional fund shall be expended only as provided in subsection (9).

(7) The state treasurer shall direct the investment of the nurse professional fund, and shall credit interest and earnings from the investment to the nurse professional fund. The nurse professional fund may receive gifts and devises and other money as provided by law.

(8) The unencumbered balance in the nurse professional fund at the close of the fiscal year shall remain in the nurse professional fund and shall not revert to the general fund.

(9) The department of consumer and industry services shall use the nurse professional fund each fiscal year only as follows:

(a) The department may use not more than 1/3 of the nurse professional fund for the establishment and operation of a nurse continuing education program.

(b) The department may use not more than 1/3 of the nurse professional fund to perform research and development studies to promote and advance the nursing profession.

(c) The department shall use not less than 1/3 of the nurse professional fund to establish and operate a nursing scholarship program.

(10) The official prescription form program fund established by the amendatory act that added this section is abolished. The money remaining in the official prescription form program fund on the effective date of the amendatory act that added subsection (11) shall be transferred by the state treasurer to the pain management education and controlled substances electronic monitoring and antidiversion fund created in subsection (11).

(11) The pain management education and controlled substances electronic monitoring and antidiversion fund is established in the state treasury.

(12) The state treasurer shall direct the investment of the pain management education and controlled substances electronic monitoring and antidiversion fund. Interest and earnings from investment of the pain management education and controlled substances electronic monitoring and antidiversion fund shall be credited to the pain management education and controlled substances electronic monitoring and antidiversion fund.

(13) The unencumbered balance in the pain management education and controlled substances electronic monitoring and antidiversion fund at the close of the fiscal year shall remain in the pain management education and controlled substances electronic monitoring and antidiversion fund and shall not revert to the general fund. The pain management education and controlled substances electronic monitoring and antidiversion fund may receive gifts and devises and other money as provided by law. Twenty dollars of the license fee received by the department of consumer and industry services under section 16319 shall be deposited with the state treasurer to the credit of the pain management education and controlled substances electronic monitoring and antidiversion fund. The department shall use the pain management education and controlled substances electronic monitoring and antidiversion fund only in connection with programs relating

to pain management education for health professionals, preventing the diversion of controlled substances, and development and maintenance of the electronic monitoring system for controlled substances data required by section 7333a.

333.16317 Fees; limitation on increase; schedule.

Sec. 16317. (1) At the beginning of each state fiscal year, the department may increase the fees collected under sections 16319 to 16349 by a percentage amount equal to not more than the average percentage wage and salary increase granted for that fiscal year to classified civil service employees employed by the department.

(2) If the department increases fees under subsection (1), the increase shall be effective for that fiscal year. The increased fees shall be used by the department as the basis for calculating fee increases in subsequent fiscal years.

(3) By August 1 of each year the department shall provide to the director of the department of management and budget and the chairpersons of the appropriations committees of the senate and house of representatives a complete schedule of fees to be collected under sections 16319 to 16349 for the following fiscal year.
